

BRIDGE AHEAD CLOSED - UNSAFE DO NOT USE

Lake District
National Park

PATH CLOSURE NOTICE
ROAD TRAFFIC REGULATION ACT 1984
THE LAKE DISTRICT NATIONAL PARK AUTHORITY
FOOTPATH 543035 / 571004, RIVER BRATHAY NORTH OF STANG END, PARISHES
OF LAKES (LANGDALES) & SKELWITH
TEMPORARY PROHIBITION OF ALL TRAFFIC NOTICE 2021

NOTICE IS GIVEN that under Section 14(2) of the Road Traffic Regulation Act 1984, the issue of this notice has the effect of prohibiting all public traffic from proceeding over the section of the right of way shown on the site map; namely footpath 543035/571004 where it crosses the River Brathay at NY 3181 0313. The bridge is unsafe and should not be used.

The notice comes into effect on the 22 December 2021 and will continue in force for a maximum of 21 days. Because of other damage following Storm Arwen and consenting issues, it is unlikely that we will be able to replace the bridge in that time – so this Notice will then be converted to a six-month Order – but we hope to replace the bridge as soon as possible.

The best alternative route to reach your destination is shown in green – the stepping stones to the east are not always fully usable.

For information on this, and other rights of way matters, please contact the National Park Authority, Murley Moss, Oxenholme Road, Kendal, Cumbria (01539 724555) during normal office hours. www.lakedistrict.gov.uk
